Article Six Organization

An organizational meeting of the SCHSBC will be held prior to the start of the season. Attempts will be made to schedule this meeting after the local Rules Interpretation meeting organized by OHSAA and before the approved first day for coaching, tryouts and instruction. The purpose of the SCHSBC meeting will be to introduce coaches and SCHSBC officers, review the OHSAA rules and the SCHSBC Constitution, review the calendar and schedule, and address any other pertinent issues.

The SCHSBC may choose to organize into divisions for competition. In such an alignment, the schools will be grouped by their published total enrollment or locations. If there are an odd number of SCHSBC member schools, the division containing the schools with the larger enrollment will have the ‘extra’ school. The SCHSBC may also consider school proximity or other factors. For 2013-14 the divisions will be as follows:

Federal (League) Division: GO, NC, JK, LK, MK, PR
 National Division (West): CS, CC, HR, MS, TM, TR, WS
 American Division (East): AL, CR, EC, MN, SV, ST

The conference will develop a balanced SCHSBC Schedule while not exceeding twenty (20) contests against the current OHSAA limit of twenty-four (24). The schedule will be developed based on center availability within the prescribed competition dates

specified by the OHSAA. Attempts will be made to have each school have no more than three matches scheduled per week. The preferences of the proprietors will be considered as much as possible. Additional, non-conference matches may be scheduled with any school or club (including SCHSBC members) at the discretion of the school's administration or head coach. Non-conference matches must be submitted to the commissioner for scoring purposes. If a school does not have a team they will not be on the schedule.

The published schedule will be for both boys' and girls' varsity matches. Junior varsity matches will be held at the same time and site unless special arrangements are made by the teams involved. The home team will be responsible for notifying the SCHSBC of any schedule changes.

Article Seven

Competition

The SCHSBC specifies that a match will be comprised of two five-bowler individual games and four Baker-style composite games. In the event of time limitations or other circumstances, the individual games and at least two Baker games as required by the OHSAA must be completed for a match to be considered official.

Any match involving a school which has canceled classes due to weather will be considered canceled. That match may be contested as scheduled upon agreement of the administration of the two schools with notice being given to the SCHSBC. The rescheduling of a postponed match will be responsibility of the administrations of the schools involved. The home school will be responsible for notifying the SCHSBC.

Any match that is not started for any reason will be considered a no contest. Such a match may be rescheduled in the same way as a weather cancellation. As per OHSAA rules a team must have at least three bowlers to be considered a match. Less than three bowlers results in a no contest.

Article Eight

Coaches

The selection and qualification of the coaching staff will be the responsibility of each school. The names of all individuals designated as coaches must be presented at the beginning of the season to the SCHSBC. The head coach is responsible for communicating complete and accurate bowler roster information to the conference.

It is the role of the coaches is to ensure matches are contested according to OHSAA and SCHSBC rules. Each head coach is requested to submit to the conference officers the signed 'Respect the Game' sportsmanship pledge found on the OHSAA website. The home-standing head coach is designated as the match referee for regular season matches.

Interaction between the spectators and bowlers is not permitted by OHSAA rules once the match starts. By SCHSBC rule, a spectator may speak to a coach during a match, but only between games.

The head coach is responsible for reviewing and verifying the match results. Only those individuals designated as coaches (or the head coach) are permitted to sign the match summary sheets. The home-standing head coach is responsible for transmitting the match results signed by both coaches in the specified form within **one hour** of completion. Match forms that are rewritten after both coaches signed will not be accepted and matches will be considered a forfeit, however the averages will still count.

Article Nine Banquet

The SCHSBC may hold a banquet to recognize team and individual award winners. The banquet will be scheduled after the conclusion of the OHSAA tournaments and state finals.

The location, invitation list and guest ticket price will be determined by the banquet committee. Award winners and members of division winning teams and up to two (2) coaches will be invited to attend at no cost. The committee may extend invitations to the proprietors and league sponsors at no cost. All other attendees will be asked to purchase a ticket at a suggested limit of two (2) per bowler.

Article Ten Awards

The SCHSBC will present team and individual awards. Only member schools and their individual bowlers will be eligible for awards from the SCHSBC. A bowler must be on the school's roster and eligible to compete at the end of the SCHSBC Schedule in order to receive awards. For award determination purposes, 'competed' as used in the criteria below shall mean bowled individual format games as defined by the OHSAA. Participation in composite or Baker format games does not count toward meeting the criteria. All First Team and Second Team winners are eligible to attend the banquet. Honorable mentions do not attend the conference banquet.

For the 2013-2014 season, **all** matches are included in the SCHSBC Schedule will be used in computing team records and individual statistics. Coaches are required to inform and report to the commissioner if any matches are added for scoring purposes. Failure to do so will result in a forfeit for the match however the averages will still count towards a bowlers season average. The whole number portion of averages (dropping the decimal portion, no rounding up or down) will be used to rank bowlers for award purposes. Division winners are based on wins and losses in each of the three respective divisions.

The team awards will include a traveling champion's trophy for the best record (percentage of contested matches won) in all designated divisions. The SCHSBC may provide champion awards to teams for members who have competed in **25%** of the individual games in SCHSBC Schedule matches which were contested.

The SCHSBC will make All-Conference awards to bowlers based on their individual average in all bowled matches. Bowlers must have competed in **66% or 2/3rd** of the individual games in SCHSBC contested matches to be eligible for individual awards. At the end of the season, averages will be adjusted based on pulls throughout the season. Averages will be adjusted by taking off 1.5 pins per pull for an adjusted average. (In the case of an injury both coaches must agree to the injury and the board [President, Vice-President and Awards, Affairs and Functions Officers] of SCHSBC will determine the proper action for the injury.)

The individual awards will include the following:

- Bowler of the Year – The SCHSBC will present Bowler-of-the-Year awards in each division for both boys and girls. The candidates will be the bowlers who made all conference first team. The award winner will be selected by a secret ballot with each divisional schools voting once for boys and once for girls. Per the OHSAA, if a coach decides to have a girl compete as boy and not on the school's girl's team, that girl will compete with the boys for individual awards.

The SCHSBC will present Coach-of-the-Year awards in each division for both boys and girls. The candidates will be the head boy's and head girl's coach designated by school. The award winner will be selected by a secret ballot with each school voting once for each of the six awards. The school's vote in each category will be communicated to the SCHSBC commissioner who will administer the voting. Ties will be broken by the conference officers.
